The school's core values are: wellbeing, innovation, leadership, collaboration, respect, and integrity.

APPLICATION POLICIES

This year, seniors are limited to **16** applications and can apply to a maximum of **4** countries.

Per school policy, all letters of recommendations and official transcripts are kept strictly confidential.

INDEPENDENT STUDY

Grade 12 students are eligible to participate in an independent study course if they are on track for graduation, achieve a minimum GPA of 3.25, and identify an area in which they wish to study in depth.

The student works with a teacher to develop their area of interest for the year, and meets regularly to focus on research and project development. At the end of the school year, students present their research or project to school faculty.

LANGUAGE

A hallmark of THIS is the requirement that students undertake advanced study in both English and Chinese language. The **school's primary language of instruction is English**, and students take all regular courses in English. In Chinese language, we offer courses for both first- and second-language speakers, denoted on the transcript with "A" and "B" respectively.

For students who are native speakers of Chinese, the curriculum is similar to that in a Chinese national school, with advanced work in history and literature to develop reading, writing, and public speaking skills. Chinese A is more rigorous than AP Chinese.

CURRICULUM

THIS follows an American curriculum including 16 AP courses. Other than our core courses, we also offer 20+ elective courses annually across various disciplines. Students may take a maximum of 10 AP courses over four years with the exception of AP Chinese. In rare cases, students may appeal to the academic principal to exceed this maximum.
